

Ascend

Reach new heights.

Designed to provide a range of heights at a moment's notice, Ascend Height Adjustable casegoods offer the ability to transition from sitting to standing within seconds – and keep you moving throughout the day.

Thoughtful details and
a modern design that
supports mobility.

Ascend Height Adjustable
casesgoods quickly and quietly
move with you.

Multiple solutions for your design needs.

Available in a variety of configurations with numerous fabric and finish combinations, Ascend is as flexible as your design vision. For more information, or to view the complete collection, visit us online or contact your DeskMakers representative.
