high pressure laminate (HPL)

- Pricing shown in this price list applies only to non-premium HPLs as follows:
- Wilsonart: Solids, Woodgrains, and Abstracts in Matte (-60) finish,
 - Formica: Color Portfolio, Woodgrains, and Patterns in Matte (-58) finish
 - Pionite: Solids, Woodgrains, and Abstracts in Suede (N) finish
 - Arborite: Solids, Woodgrains, Textures and Abstracts in Matte (CA) finish
 - Nevamar: Solids, Woodgrains, Stones and Abstracts in ARP (-T) finish

A minimum charge of \$500 net per HPL color will be applied to each order.

Call customer service for pricing for all other HPLs.

Additional lead times required for HPL orders depending on material availability and order complexity.

high pressure laminate (HPL) pricing chart

Most DeskMakers product is made of Thermofuse laminate (TFL). As such, there is an upcharge for ordering product in high pressure laminate (HPL). This upcharge varies based on the product and the size of the HPL order.

Please note that only the portion of the order in HPL will be calculated to determine the level of HPL upcharges.

HPL is always available with DeskMakers standard 2MM edgebanding. Special order matching PVC 2MM edgebanding may be available for orders \$25,000 List or larger, call customer service for pricing.

Right Placement

Left Placement

When using an L-Shape Stack-on with a straight desk, follow the same chart above to determine ped requirements according to longest side of the counter. Always select a counter size that stops 6" short of the front of the desk.

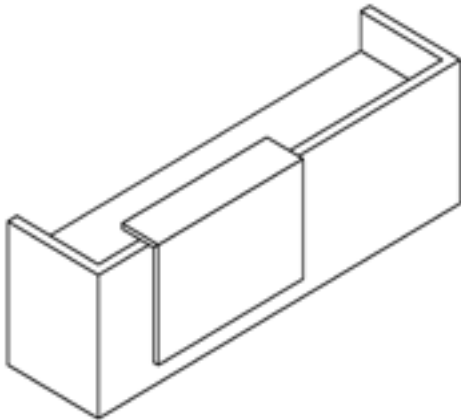

When using an L-Shape Stack-on with a multi-section desk, the front (long seamless side) of the stack-on should face the direction of approach. The stack-on counter should always stop at least 6" short of the end of the surface it sits on.

A large reception station may utilize multiple stack-on units. Please note that individual stack-ons are not designed to be connected to one another and are not guaranteed to sit flush or line-up. It is recommended when using multiple stack-ons to place them apart to create multi-level surfaces or mark individual work areas as in the examples above.

Locking Casters

The Hover Lift height adjustable bases are available with optional locking casters. Casters increase the overall table height by 2".

External Safety Sensor

An External Safety Sensor is able to detect even the smallest deformation. When a collision or restriction of movement is detected, the External Safety Sensor triggers the motors to move in the opposite direction to release the pinched obstacle. The External Safety Sensor can be added to the Hover Lift bases after installation. AC-DRBK-OMT for \$319.

All Hover electric height adjustable bases are equipped with Intelligent System Protection (ISP). ISP is used to protect base motors, control boxes and internal components from damage resulting from collision or restriction of movement. The ISP is not intended for protection of the end user, and is less sensitive than the External Safety Sensor.

Limited Lifetime Warranty

(Effective for Furniture Sold as of January 1, 2015)

DeskMakers, Inc. furniture is warranted against defects in material and workmanship given normal usage and care for as long the original purchaser owns it.

DeskMakers will repair or replace at its option, and at its own cost, any product that develops a defect during the warranty period. In some cases, DeskMakers may elect to refund the customer's original purchase price (less reasonable depreciation) in lieu of repair or replacement. Repair, replacement, or refund is the purchaser's sole remedy, the choice of which rests solely with DeskMakers. DeskMakers shall not be liable for any incidental or consequential damages including lost profits and loss of use of product.

Limitations:

- The warranty for wood guest chair frames shall be limited to 10 years.
- The warranty for PVC edges, wood veneer edges, HPL edges, mechanical parts such as ball bearing slides, door hinges, floor glides, fabric (except for COM fabrics), seating foam, and wood veneer surfaces shall be limited to five (5) years.
- The warranty for training tables shall be limited to three (3) years.
- The warranty for engineered-to-order "custom" products shall be limited to three (3) years.
- The warranty for height adjustable bases shall be limited to two (2) years on electrical components, five (5) years on mechanical components and ten (10) years on structural components.
- This warranty does not cover:
 - o Normal wear and tear.
 - o The color fastness of any laminate, wood, or fabric, as such colors can fade or darken with normal use and as a result of exposure to light.
 - o Customer's Own Materials (COM).
 - o Damage caused by placing anything other than hanging files in file drawers.
 - o Rental furniture.
 - o Labor and service.

Normal Usage:

This warranty does not apply to damages or failures resulting from misuse, abuse, negligence, or improper care. For casegoods, tables, and desking, normal usage is limited to 40 hours per week. For seating, normal usage is limited to 40 hours per week by individuals of 250 lbs. or less.
