

Create a meeting (and storage) destination.

Help bring people together with Avalon Tables. The ideal destination for impromptu gatherings, brainstorming sessions and meetings alike, Avalon tables provide ample workspace to keep creative ideas flowing while a variety of storage configurations keep essentials organized. Optional power options keep everyone charged and connected.

Space defining solutions.

Ideal for common areas, design libraries, touchdown spaces and more, Avalon Tables help define spaces while providing ample storage for work and personal items. Available in a variety of configurations and in a multitude of finish options to suit personal aesthetic preferences.

Make collaboration a breeze.

Avalon Tables serve dual purpose as storage and gathering areas alike. An ideal place for sparking conversations and sharing stories, with storage options for every space imaginable. Visit us online to view the full collection, download pricing and review specification information.
